

As part of the Project Remediate program, when remediation work is completed under a Development Control Order (DCO), the application will flow through to the consent authority to complete the closure of the case in the NSW Planning Portal by indicating that the terms of the DCO have been satisfied.

The below steps demonstrate how to complete the Project Remediate case closure on the NSW Planning Portal.

Note: The consent authority will receive an email notification whenever a new case is available in the Project Remediate Closure WB.

1. From the dashboard, **click** Project Remediate Closure WB under Unassigned Tasks.

2. Locate the remediation application and **click** on the case reference number.

3. If the consent authority is satisfied to close off the Project Remediate application, **click** on the check box Terms of DCO satisfied.

Submit closure

Please indicate whether COUNCIL OF THE CITY OF SYDNEY is satisfied that the Development Control Order for the cladding remediation work has been fully complied with.

Terms of DCO satisfied *

Please upload any relevant documents associated with DCO-REM-461.

Where terms of the DCO are not yet satisfied, the outstanding matters should be resolved prior to completing this page.

4. **Click** Submit.
