

Dear Andrew,

Thank you for your referral seeking advice from Heritage NSW Aboriginal Cultural Heritage Assessments for the Response to Submissions for Barangaroo Concept Plan Approval (MP 06_0162 MOD 9). As the Modification and the Response to Submissions for the project do not propose any impacts to Aboriginal cultural heritage, we have no further comments on the proposal.

Please note that the above comments relate only to Aboriginal cultural heritage regulation matters and that our Environmental Heritage team will provide a separate response.

If you have any questions regarding these comments, please do not hesitate to contact me.

Kind regards,
Corey.
