

The draft Westmead Place Strategy was placed on public exhibition between 14 December 2020 to 31 March 2021. The feedback received from these submissions have been used to inform the final place strategy package.

Submissions have been individually numbered from 001 to 399, and can be accessed on the Department of Planning and Environment's Planning Portal at: [\[link\]](#).

The table in this document indexes all submissions received during the public exhibition of the draft Westmead Place Strategy. To find an individual submission in this table, you can use the keyboard shortcut 'Ctrl+F' on PC or 'Cmd+F' on Mac to enable a search function and then search the first name or surname of the submitted.

Where a submitter has requested their name and submission not to be printed, it is listed as 'Confidential Submission' and it will not be possible to search for the submission by name.

Submission numbers marked with a symbol (*) are submissions that have been submitted more than once or submitted in error.

To protect the privacy of individuals, even where submitters have not requested their name to be withheld, any reference to phone numbers or email addresses have been removed.
