

**PVCC LETTER OF SUPPORT**

23 August, 2021

The Secretary  
NSW Department of Planning, Industry and Environment  
Locked Bag 5022, Parramatta 2124

To whom it may concern,

**Re.: RE: NEPEAN BUSINESS PARK SUBDIVISION DEVELOPMENT APPLICATION (DA 9876)**

On behalf of the Penrith Valley Chamber of Commerce (“the Chamber”), I write in regard to the above DA.

Part of the Chambers mission is to support of those projects that contribute to our local community insofar as they:

- create and sustain local employment,
- directly and/or indirectly stimulate investment in the local economy,
- enhance the development and maintenance of necessary local infrastructure, AND
- do not adversely impact the social and environmental needs and expectations of the business and broader community.

As a community, we want local jobs for Penrith residents to reduce commuting times, improve health, wellbeing and lifestyle and improve the environment by removing cars from the roads.

Approval of the Nepean Business Park development application is a critical step in realising the forecasted 18,000+ jobs and \$2 billion of economic activity, which will provide a crucial boost to the community. We request this application is fast tracked for approval to ensure these jobs are delivered and that small business is supported.

Yours,

**Kate Rafton  
President**
