RE: NEPEAN BUSINESS PARK SUBDIVISION DEVELOPMENT APPLICATION (DA 9876)

LETTER OF SUPPORT

I am writing in support of the Nepean Business Park subdivision development application (DA 9876).

As a community, we want local jobs for Penrith residents to reduce commuting times, improve health, wellbeing and lifestyle and improve the environment by removing cars from the roads.

Approval of the Nepean Business Park development application is a critical step in realising the forecasted **18,000+ jobs and \$2 billion** of economic activity, which will provide a crucial boost to the community. We request this application is fast tracked for approval to ensure these jobs are delivered and that small business is supported.

Sincerely,

A handwritten signature in black ink that reads "Ted Baker". The signature is written in a cursive, slightly slanted style.
