Subject: Over development at Blackwater bay

Could you please direct my email to the appropriate person regarding over development at the Blackwater Bay and fish market site.

I am writing to express concern over the height of towers and size of buildings proposed for this development.

I'm a Pyrmont resident and am aware of the heights of residential buildings in Jackson's Landing-18 floors.

45 or 36 floors for the proposed residential tower is outrageous and out of scale for this site and will dominate the area and add significant shadowing

Please amend building proposals go be in line with Pyrmont residential standards.

Regards

Chris Bessell Browne
