Part 7 Attachments (please mark box * / ✓)

Note: Please consult with a Planning Officer at the Sydney Olympic Park Authority for any information below that you may require to be submitted as part of the application.

Plan of the Land[#]

Three copies of the plan of the land indicating (where relevant):

- a) Site location, positioning, boundary dimensions, site area and north point;
- b) Existing vegetation and trees on the land;
- c) Location and uses of existing buildings on the land;
- d) Existing levels of the land in relation to buildings, roads and footpaths;
- e) Location and uses on sites adjoining the land.

Plan and details of the proposed development[#]

Three copies of the plan and detailed specifications of the proposed development indicating (where relevant):

- a) The location, positioning, and dimensions of the proposed development or works in relation to the land's boundaries and adjoining development land;
- b) Proposed demolition works (including vegetation removal)
- c) Floor plans of proposed development showing layout, partitioning, room sizes and intended uses;
- d) Elevations and sections showing proposed external finishes and heights;
- e) Building perspectives, photomontages and material samples board;
- f) Proposed parking and vehicular circulation arrangements;
- g) Proposed landscaping and treatment of the land (including plant type and, height and maturity).

Statement of Environmental Effects[#]

A Statement of Environmental Effects including:

- a) A description of the existing environment;
- b) A description of the proposed development (construction and operation);
- c) Compliance with relevant Environmental Planning Instruments; and
- d) Potential environmental impacts and mitigation measures proposed to minimise potential impacts.

Note: Applicants may choose to use the Authority's pro-forma Statement of Environmental Effects if the proposed development is less than \$1million and is of minor potential impact.

Sydney Olympic Park Authority, 7 Figtree Drive, Sydney Olympic Park NSW 2127

Part 6 Proposed development description

Important – the following questions must be answered

Is the proposed development located on land that is, or is part of, a critical habitat?

Yes

No

Not Sure

Would the proposed development significantly affect threatened species, populations or ecological communities or their habitats?

Yes

No

Not Sure

Important – a written description must be provided of the type of development being proposed (e.g. alterations and additions to an existing building)

The type of development being proposed is any temporary infrastructure overlay installed and managed by ANZ Stadium and/or its partners within the Stadium's red zone, in support of event and non-event day activity conducted at the Stadium. Examples of development activities include, but are not limited to, the installation of temporary structures such as tents, lockers, trailers, vehicles and other structures for operational, marketing, promotional or other purposes in conjunction with Stadium or Stadium partner initiated activities; food & beverage preparation and service related activities; distributions and collections; displays; entertainment rides, interactive programs; etc.

Cost of proposed development/works (AU\$)*

\$95,000

Note: Capital investment value includes all costs necessary to establish and operate the project, including the design and construction of building works, structures, ancillary infrastructure, and fixed or mobile plant (excluding land costs and GST). For events, include an estimate of costs of holding the event, whether or not the event is a charity or otherwise.
