### **3.2 Impact of the development**

The proposed development is for internal fit out works and will not adversely affect the natural, social or economic environment.

### **3.3 The suitability of the site for the development**

The proposal is of a nature that is in keeping with the overall objectives and function of the site and approved commercial building.

### **3.4 Notification, advertising and submissions received**

No submissions were received as the proposal did not require advertising, notification or agency referrals.

### **3.5 The public interest**

The proposal is considered to be in the wider public interest as it:

- Is consistent with the in-force provisions and controls of the principle environmental planning instrument applying to the land contained with *State Environmental Planning Policy (Major Development) 2005 Amendment 20*; and
- Would not result in any adverse environmental affects (subject to conditions).

## **4 Sydney Olympic Park Authority Act 2001**

### **4.1 Clause 22(2) – Consistency with Environmental Guidelines**

The proposed development is generally consistent with the *Environmental Guidelines* as the proposed development is minor and routine and does not alter the environmental performance of the base building, which is designed to achieve a high green-star rating.

## **5 Consultation**

### **5.1 External referrals**

The proposal was not referred externally as the proposal is relatively minor and routine in nature.

### **5.2 Internal referrals**
