Submission

Hi Council,

I am writing to object to the new proposed development on the St Leonards Telstra Exchange.

I currently own a unit at the Landmark, directly adjacent to the proposed site. This unit faces west and I believe the proposed development is too close to the existing Landmark building. My unit already faces the 14 storey carpark of the JQZ building and this already feels quite close and intrusive - I would not be able to imagine the living disruption if there was an additional building between the car space and the Landmark.

I kindly urge you to consider the existing residents in the area and how our living will be impacted (sunlight, road traffic, noise traffic, privacy etc.) with this new development.

Kind regards,

I agree to the above statement

Yes
