I support it

Submission

I work directly next to the proposed development at 69 Christie St St Leonard's. I support this proposal because Sydney desperately needs more housing supply. Proposals such as this, being a reasonable distance from the CBD, and in a prime location between St Leonard's station and Crows Nest metro, are needed if full-time partnered professionals like myself are ever going to be able to afford to live in this city.

I agree to the above statement

Yes
