- (3) Otherwise as necessary to comply with other NSW and Commonwealth legislation.

3 Inconsistency between documents

In the event of any inconsistency between this consent and the drawings/documents referred to Condition No.2, the conditions of this consent prevail.

4 Commencement of Subdivision

The Subdivision shall be carried out in accordance with the requirements set out in *Section 81A of the Environmental Planning and Assessment Act 1979*.

5 Section 109 Subdivision Certificate

A Subdivision Certificate is to be obtained from an accredited subdivision certifier and/or the Sydney Olympic Park Authority in accordance with the requirements set out in *Section 109C(1)(d)* and *Section 109D(1)(d)* of the *Environmental Planning and Assessment Act 1979*.

Note: Sufficient information must be forwarded to the Certifying Authority illustrating compliance with the relevant requirements of the Conditions of Development Consent. Sufficient information may include but not limited to, reports or certifications issued by an appropriately qualified person. Please contact your relevant Certifying Authority to discuss requirements prior to submission of the application for Subdivision Certificate.

6 Section 88B Instrument

Prior to registration of the Subdivision Plan(s) with the NSW Land & Property Information Office, the person(s) acting on this consent must create all necessary documentary easements for access, services, drainage, encroaching structures, support and shelter, maintenance or any other encumbrances required for joint or reciprocal use of part or all of the proposed lots as a consequence of the subdivision pursuant to Section 88B of the *Conveyancing Act, 1919*.

Note: All instruments under Section 88B of the Conveyancing Act used to create easements or right-of-ways must include the condition that such easements or right-of-ways may not be varied, modified or released without the prior approval of the Sydney Olympic Park Authority.

7 Sydney Olympic Park Authority Approval

The person(s) acting on this consent must ensure that all subdivision plans & Section 88B instrument are submitted to the satisfaction of SOPA, prior to registration of the Subdivision Plan(s) with the NSW Land & Property Information Office.
