<b>Please provide the view on the project</b>	I object to including the clause in all NSW council LEPs and the minor housekeeping amendments
<b>Submission</b>	Gunnedah Shire Council has reviewed the EIE for the Special Flood Considerations Clause and objects to including the clause in all NSW Council LEPs or including the clause in the SEPP (Resilience and Hazards) 2021. The reason for the objection is due to the Gunnedah Shire Council not having information on the land in the Shire that is between the flood planning area and the probable maximum flood height.
