Please provide the view on the project	I object to including the clause in all NSW council LEPs and the minor housekeeping amendments
Submission	1. Does not support the blanket state-wide inclusion of the Special Flood Considerations Clause into or State Environmental Planning Policy (Resilience and Hazards) 2021; and 2. Recommends that prior to the implementation of the 5.22 Special Flood Considerations Clause, the NSW Government provide 100% funding to Councils to undertake the necessary flood studies. Please see attached.
I agree to the above statement	Yes
