<b>Please provide the view on the project</b>	I support including the clause in the LEPs of councils who have opted in, and the minor housekeeping amendments
<b>Submission</b>	<p>On 28 June 2021 Wollongong City Council resolved to support the inclusion of clause 5.22 Special Flood Considerations into the Wollongong LEP 2009.</p> <p>Consistent with Council's resolution and previous advice to the Department, Council officers remain supportive of the inclusion of the clause in the LEP and the proposed minor housekeeping amendment.</p> <p>Council officers prefer the inclusion of the clause in the LEP, rather than the SEPP, as clauses 5.21 and 5.22 will be in the same instrument. Having one clause in an LEP and the other in a SEPP will lead to confusion and add complexity to the planning system.</p>
<b>I agree to the above statement</b>	Yes
