Advice provided via email

Dear Ms Butcher

**Request for Advice - Edmondson Park South Concept Plan Modification 12 (MP\_10\_0118)**

Thank you for your referral on 18 January 2022 providing Heritage NSW with the opportunity to comment on Modification 12 of Major Project MP10-0118 for the Edmondson Park South Concept Plan.

Heritage NSW has reviewed the *Edmondson Park South Concept Plan (MP\_10\_0118)* prepared by Ethos Urban and dated 2 December 2021 and provides comments below in relation to Aboriginal cultural heritage matters only.

We note the land for the Edmondson Park South concept plan has already been subject to comprehensive Aboriginal cultural heritage assessment and is covered under an existing Aboriginal Heritage Impact Permit (AHIP) – AHIP C0001134. This AHIP is current and includes Edmondson Park South. Based on our review, no further archaeological investigations are required. Ongoing Aboriginal consultation has been undertaken in line with the [Aboriginal Cultural Heritage Consultation Requirements for Proponents](#) (DECCW 2010) and we advise that this should continue.

Please note: the above comments relate only to Aboriginal cultural heritage regulation matters. You may wish to seek separate advice from Heritage NSW in relation to matters under the *Heritage Act 1977*.

If you have any questions regarding the above advice please contact Kym McNamara, Senior Assessment Officer, Heritage NSW on (02) 6229 7028 or via email at [kym.mcnamara@environment.nsw.gov.au](mailto:kym.mcnamara@environment.nsw.gov.au).

Yours sincerely
