

# Submit an application for a Subdivision Works Certificate (SWC)

To apply for a Subdivision Works Certificate via the NSW Planning Portal (Portal), you will need a NSW Planning Portal account. To register a new account, refer to our *Register for the NSW Planning Portal* quick reference guide or video.

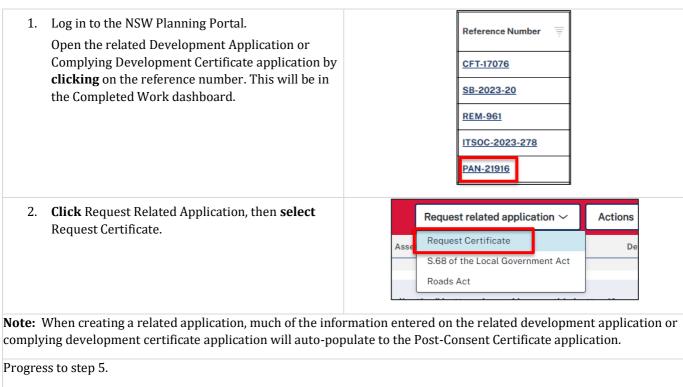

#### Initiate application

You can apply for a subdivision works certificate via the NSW Planning Portal using two different methods:

- As a related application (this will pre-populate content in the application form based on information within the related development application or complying development application), or
- A new standalone application.

Follow the instructions below for your required method.
