Good Morning Emma,

I refer to your email regarding the MP 07_0166 MOD 6 and MP 10_0070 MOD 7 (Sydney Adventist Hospital, Wahroonga Estate).

Roads and Maritime has reviewed the submitted information and notes that the main reason for the proposed modifications is that Roads and Maritime was not willing to enter into agreement for the works. However, there are no supporting documents to substantiate this claim.

Furthermore, there are new trigger points for the works to be undertaken proposed as part of these modifications. Again, there are no supporting documents to justify the new trigger points.

Based on the above, Roads and Maritime does not support the proposed modifications. It is recommended that the applicant meet with Roads and Maritime to work out a way forward.

If you like to discuss this matter further, please call me on 8849 2219.

Regards
