Landowner's Consent

Privacy and Personal Information Protection Notice

Purpose: Your personal information is being collected to enable the Department of Planning and Environment to exercise its functions and assess your application under the *Environmental Planning and Assessment Act 1979* and other legislation.

Recipients: Department of Planning and Environment, councils, and government agencies for the above-stated purpose.

Supply: The evidence of landowner's consent will be published on the NSW planning portal, as required by law. If you do not provide the information (or any part of it) your application may not be accepted.

Access/Correction: The Department of Planning and Environment will collect this information. You can access and correct the information by contacting –

- the Information Access & Privacy Unit, 4 Parramatta Square, Locked Bag 5022, Parramatta 2124.
- Phone: 02 9860 1440.
- Email: gipa@dpie.nsw.gov.au.

Storage: The Department of Planning and Environment will store this information on its records management system in line with its [Privacy Management Plan](#).

- Is landowner's consent required?
 - (IF YES) Do you have evidence of all landowners' consent?
 - (IF YES) Upload any evidence of landowner's consent required.
 - (IF NO) Reason landowner's consent is not required
 - The SSI is proposed to be undertaken by a public authority.
 - The SSI is declared Critical SSI.

- The SSI is considered linear infrastructure.
- The SSI is considered utility infrastructure.
- The SSI is on land with multiple owners as designated by the Secretary of the Department of Planning and Environment.
- The SSI is for mining development for a purpose specified in State Environmental Planning Policy (Planning Systems) 2021 Schedule 1, section 5(1)-(4).

Warning! Please note that if landowner's consent is not required, relevant landowner's must still be given notice of the application by:

- Written notice to the owner of the land, before or no later than 14 days after the application is made, or
- An advertisement in a newspaper circulating in the area in which the infrastructure is to be carried out at least 14 days before the environmental impact statement (EIS) that relates to the infrastructure is placed on public exhibition.

Note section 181(5) of the Environmental Planning and Assessment Regulation 2021 for when consent of the owner is not required.

- Does the application relate to land owned by a Local Aboriginal Land Council?
 - (IF YES) Upload evidence of the consent of the New South Wales Aboriginal Land Council.

Statutory Context

Justification and Permissibility

- Reason why the proposal is State significant.

Pathway and Permissibility

- Under [State Environmental Planning Policy \(Planning Systems\) 2021](#), which schedule does your State significant development application relate to?
- Section under selected Schedule
- Describe the permissibility of the proposal under relevant environmental planning instruments

Biodiversity Development Assessment Report Waiver Request

Note: Under the [Biodiversity Conservation Act 2016](#), an application is to be accompanied by a biodiversity development assessment report. However, the Secretary of the Department of Planning and Environment and the Coordinator General of Environment and Heritage can waive this requirement if they determine that the proposal is unlikely to have a significant impact on biodiversity values.

- (Would you like to request that the requirement for a biodiversity development assessment report be waived?
 - (IF YES) Provide an attachment that includes justification as to why your proposal is unlikely to have a significant impact on biodiversity values.
Guidance on the matters that must be addressed in your waiver request can be found [here](#).

Approvals – Part 1

- Would the infrastructure otherwise, but for [Section 5.23](#) of the Environmental Planning and Assessment Act 1979, require any of the following:
 - A permit under section [201](#), [205](#) or [219](#) of the *Fisheries Management Act 1994*?
