To whom it may concern,

**TREE PROTECTION COMPLIANCE No. 1:
5 & 7 Beaconsfield Parade, Lindfield NSW**

This letter has been commissioned by Truslan Dumaresq Development Pty Ltd to determine the possible impacts to trees based on the latest issued plans. The following documents were cited in preparation of this statement:

- Plans, Elevations and Sections, Dwg No. DA0000 to DA9601 (Issue 1), by Allen Jack + Cottier dated 13 September 2021

The subject trees had been included within an earlier Arboricultural Impact Appraisal and Method Statement (Revision B) compiled by Naturally Trees dated 3 March 2021. This letter is to be read in conjunction with this earlier report, which provides preliminary information on dimensions and protection of the subject trees.

Following my review of the revised plans, I can confirm that the proposal will have no further consequence to tree management at the site. The change of the four lifts will have no further impact to the management of trees.

Yours sincerely

Andrew Scales
